A LITTLE WALK

ICG 45423 - Intermediate Delivery

Gonçalo Silva

16th April, 2026

THE IDEA

Peaceful exploration game where the player controls a small animal wandering freely through an open world.

- No concrete objectives
- Just exploration
- Low-poly, cartoon aesthetic

Inspiration: *The First Tree*, *ABZÛ*, *A Short Hike*, *Alba: A Wildlife Adventure*

WHAT'S DONE

A stylized, low-poly landscape. The sky is a gradient of light blue to white. In the foreground, there is a field of green grass. To the left, there are several trees with orange and red foliage. A white rock is visible on the right side of the grass field.

- Playable character with walk, run, and idle animations
- Third-person camera and controls
- Grass, trees, bushes, rocks
- Basic atmosphere

A stylized 3D landscape featuring several trees with bright red foliage on the left side. The ground is covered in dense green grass, with a few grey rocks scattered throughout. The sky is a clear blue. The text 'a-little-walk.vercel.app' is centered in the middle of the image.

WHAT'S NEXT

- Heightmap terrain with hills and valleys
- Water, ambient wildlife
- More vegetation
- Points of interest
- Day/night cycle
- Custom character model (Blender)
- Ambient sounds

A stylized 3D landscape featuring a vibrant green field in the foreground, a clear blue sky, and several trees with dense red and yellow foliage. The scene is bright and cheerful, with a few grey rocks scattered across the grass.

THANK YOU!
